“Stop Plastic Pollution” was organized by our college in association with RRC unit on 30<sup>th</sup> April 2022 at Sathirapatti village. RRC Volunteers of our college explained how Plastic Pollution is affecting the whole earth, including mankind, wildlife, and aquatic life. Students shared the thoughts for protecting the environment from the toxic plastics by keeping their homes free of plastic materials like Polythene bags, boxes, bottles, glasses, plastic containers, straws etc. and also asked them to spread awareness among their friends and relatives. Faculty members of our college also participated in the program.
