IQAC ANNUAL REPORT FOR ACADEMIC YEAR 2023-2024

An Annual Report of IQAC is prepared based on the academic activities in the institution for the academic year 2023-2024. IQAC sessions are held regularly, and the recommendations provided by members are documented in the meeting minutes.

NEW INITIATIVES:

- MoU have been signed with **5** companies on this Academic Year 2023-24 and totally **30** companies & **2** institutions of live MoU's including Golden Bell Contrsuctions, DRAFT 360° TOPO PLANNERS & ENGINEERING SURVEYORS, SHABEE CONSTRUCTION, Nandha Infotech, Fantasy Solutions, 16, Samnath Plazzas, Hitakey Tech Solution Private Limited, Meck Teck Research Foundation, Rooboo Tech India Private Limited, Nimatooz Smile Mobility Pvt. Ltd., FarmwiseAI Private limited, Notus Soft Solutions, Apple Computers Education, E-Soft IT Solutions, TECHVOLT Software Pvt Ltd, GM Electronics, Galwin Technology, Witspire, HiTech Electronics, Indiguard Systems Pvt Ltd, MARCELLO TECH, Royal Equipments, PV Solar Power Tech, Power Integrated Solutions, Parisutham Institute of technology and sciences, Thanjavur.
- A new course B.Tech (Information Technology) is started on this academic year 2023-2024 by the approval of AICTE.
- SBECW is accredited with "A" Grade by National Assessment and Accreditation Council (NAAC) on May 2024.

UNIVERSITY RESULTS:

- Around 76.2% (32 Graduates / 42 Appeared) of graduation in the academic year 2023-2024.

RESEARCH AND DEVELOPMENT ACTIVITIES:

- A total of 3.935 lakhs was received towards endowment in the form of consultancy activities from various organizations.
- Our College sponsored fund of Rs.50,860/- for 44 faculty members attending various activities like FDP, Seminars, Workshop and conferences.
- Research project fund of Rs. 7500/- is received from Tamil Nadu Science and Technology for Student Project Scheme.

Publications:

Totally 37 faculty members and 120 students were published paper in reputed journals on this academic year 2023-24.

- Thirty faculty members were published their research work in International Journal of Engineering Research and Technology, ISSN: 2278-0181, 2024 in the Academic Year 2023 – 24.
- Two faculty members were published their research work in International Journal of Scientific Research in Engineering and Management, ISSN: 2582-3930, 2023.
- Two faculty members were published their research work in International Journal of Innovative Research in Advanced Engineering, ISSN: 2349-2163, 2024.
- Two faculty members were published her two research work i-Manager, ISSN: 2349-4530 and in International Journal of Intelligent Systems and Applications in Engineering, ISSN: 2147-6799, 2024.
- One faculty member was published her two research work in European Chemical Bulletin, ISSN: 2063-5346, 2023.
- One hundred and twenty students of I, II, III and IV year from various departments participated on paper presentation in Conference Proceedings of International Journal of Engineering Research and Technology.

SEMINARS ORGANIZED FOR STUDENTS:

The following seminars are organized during the academic year 2023-2024

ODD SEMESTER:

- Department of CSE conducted Research Methodology online seminar on **'Emerging Challenges in Deep Learning using CNN Keras Algorithms'** on 31.10.2023 for 101 students.
- Department of ECE conducted One day seminar on **'Research Outlook in Embedded Systems'** on 09.11.2023 for 58 students.
- EDC Programme on **'Awareness about Entrepreneurship, Innovation and Importance of an E & I Cell'** conducted on 26.09.2023 for 193 students.

EVEN SEMESTER:

- Department of CIVIL conducted Research Methodology seminar on **'Recent Development in Earthquake Resisting Structures'** on 01.04.2024 for 28 students.

VALUE ADDED COURSE ORGANIZED:

ODD SEMESTER:

- Advanced surveying using Total Station conducted by DRAFT 360 degree Topo Planners from 31.07.2023 to 05.08.2023 -14 CIVIL Students.
- Prototype Development using 3D Printing conducted by Meck Tech Research Foundation from 31.07.2023 to 04.08.2023 – 51 CSE Students.
- Foundational Electronics and PCB Designing conducted by R & D cell, Thanjavur from 31.07.2023 to 05.08.2023 – 40 ECE Students.
- Foundational Electronics and PCB Designing conducted by R & D cell Thanjavur from 31.07.2023 to 05.08.2023 – 08 EEE Students.

EVEN SEMESTER:

- Advanced Structural Analysis using FEM conducted by SD Pro Solutions – 30 CIVIL Students.
- Data Science: From Raw Data to Informed Decisions conducted by Nandha Infotech from 19.03.2024 to 23.03.2024 – 109 CSE Students.
- Data Science with Machine Learning conducted by Techvolt Software Private Limited from 01.04.2024 to 05.04.2024 – 56 ECE Students.
- Energy Forecasting with Data Analytics conducted by Techvolt Software Pvt. Ltd from 01.04.2024 to 05.04.2024 – 17 EEE Students.
- Exploring the Potential of Microsoft NET Framework with SQL Integration conducted by Marz Technologies from 04.03.2024 to 09.03.2024 – 114 S&H Students.
- Exploring the Potential of Microsoft NET conducted by SD Pro Solutions – 117 S&H Students.

WORKSHOP ORGANIZED:

ODD SEMESTER:

- Department of CIVIL conducted Research Methodology Workshop on ‘Construction Safety Management’ on 31.10.2023 for 29 students.

EVEN SEMESTER:

- One Day Workshop for final year students on ‘IPR Essentials for Turing Final Year Projects in to Patented Innovations’ on 26.04.2024 for 40 students.

STUDENTS ATTENDED INTERNSHIP/INDUSTRIAL VISIT:

INDUSTRIAL VISIT:

Dr. S. THILAGAVATHI M.E., Ph.D.,

Kaikkurchi - 622 303, Pudukkottai DL

- Department of CSE conducted Research Methodology seminar on '**Recent Issues in Evaluation of Database Connectivity Protocols**' on 03.04.2024 for 104 students.
- Department of ECE conducted Guest Lecture on '**Recent Trends in Software Technologies**' on 15.03.2024 for 52 students.
- Department of ECE conducted Research Methodology seminar on '**Sensor Networks**' on 26.03.2024 for 56 students.
- Department of ECE conducted One day Hands-on training Workshop on '**IOT and its Applications**' on 15.04.2024 for 56 students.
- Department of EEE conducted Research Methodology seminar on '**Challenges and Opportunities in Research and Development of Electric Vehicle**' on 12.04.2024 for 15 students.

TRAINING PROGRAMMES FOR STUDENTS:

The Soft Skill, language and communication, life skill and ICT programs were conducted for our students by using professional resource person and also alumni students.

ODD SEMESTER:

- Soft skills Training Program on "**Ethical decision making in engineering practice**" was conducted on 05.09.2023 for 195 students.
- Soft skills Training Program on "**Adaptability and resilience in Engineering Careers**" was conducted on 07.11.2023 for 189 students.
- ICT Skill Development Programme on "**Fundamentals of ReactJS**" was conducted on 18.12.2023 for 218 students.

EVEN SEMESTER:

- Language and Communication Programme on "**Language Acquisition and Learning**" was conducted on 16.03.2024 for 201 students.
- Language and Communication Programme on "**Effect of Technology in Intercultural Communication**" was conducted on 02.01.2024 for 218 students.
- Life Skill Program on "**Women's Mental Health and its Well Being**" was conducted on 10.01.2024 for 142 students.
- Life Skill Program on "**Initiative for Women's Health Awareness**" was conducted on 18.03.2024 for 308 students.
- ICT Skill Development Programme on "**Internet of Behaviors: Analyzing Human Behavior through IoT devices**" was conducted on 09.02.2024 for 92 students.

- An industrial visit was arranged for 102 students of first year CIVIL, ECE, EEE, CSE and IT students on 27.12.2023 to Anna Science Centre-Planetarium at Trichy.
- An Industrial visit was arranged for 27 students of II, III and IV year Civil Students on 26.03.2024 to Sewage Treatment Plant, Rajapalayam. .
- An Industrial visit was arranged for 52 students of II, III and IV year CSE Students on 15.04.2024 to Kaynes Technology, Mysore, Karnataka.
- An Industrial visit was arranged for 17 students of II, III and IV year ECE & EEE Students on 31.10.2023 to Sri Kaderi Ambal Mills Pvt. Ltd., Perattukkottai.

INTERNSHIP:

Our college students were attended internship / inplant training in various dates at various companies during the period from 13.02.2024 to 02.03.2024.

- Total 6 second year Civil students were attended Inplant training at Nithu Construction, Pudukkottai.
- Total 5 second year Civil students were attended Inplant training at PMP Consultants, Pudukkottai.
- Total 5 second year Civil students were attended Inplant training at Shabee Construction, Pudukkottai.
- Total 4 Third year Civil students were attended Inplant training at PMP consultants, Pudukkottai.
- Total 4 Third year Civil students were attended Inplant training at TRM Construction, Pudukkottai.
- Total 5 Third year Civil students were attended Inplant training at Sri Kamatchi Construction, Pudukkottai.
- Total 2 Third year Civil students were attended Inplant training at Krishna Builders, Aranthangi.
- Total 1 Third year Civil students were attended Inplant training at Sriram Planners, Aranthangi.
- Total 6 Final year Civil students were attended Inplant training at PMP Consultants, Tiruchirappalli.
- Total 12 Final year CSE students were attended Internship training at Hitakey Tech Solution, Tiruchirappalli.
- Total 4 Final year CSE students were attended Internship training at Techmind Infotech, Pudukkottai.
- Total 5 Final year CSE students were attended Internship training at Notus Soft, Pudukkottai.

- Total 06 Final year EEE students were attended Internship training at Samcore Solution, Trichy.

STUDENT ACTIVITIES:

- 52 Alumni's attended the Alumni meet conducted on 30.03.2024 at SBECW Campus.
- Our students attended Conferences, symposiums, workshops and seminars in various engineering colleges.
- G. Akila, R. Jayabharathi, B. Jaya Manohari, A. Priyadharshini, M. Rabia Banu, B. Sherlin Kavya, A. Jenifar and G. Kalaiarasi of III Civil participated in paper presentation on Symposium at Chendhuran College of Engineering and Technology, Pudukkottai.
- B. Jaya Manohari from III Civil published paper on International Conference on Sustainable Environment and Civil Engineering (ICSSECE)

- P. Lisi Oviya Money from II year and R. Jayabharathi, A. Priyadharshini, M. Rabia Banu, B. Sherlin Kavya, A. Jenifar and G. Kalaiarasi from III year Civil participated in Viksit Bharat Quiz at Visit Bharat Sankalp Yatra College.
- T. Aswini, M. Geetha, S. Keerthi, S. Subathra, S. Bhavani, V. Megala from IV year Civil participated in National Quiz contest on Bridge Engineering at Sri Sairam Engineering College, Chennai.
- S. Akalya, V. Hema, S. Kalaivani, K. Kalpana, M. Meiyammal, P. Prasanna Devi, M. Rosammal, P. Sathiyasri, D. Sivagami, S. Sivaharini, C. Subashini, M. Subashini, T. Vanathi, S. Vinciya Mary, R. Vaishnavi of IV CSE participated in paper presentation on National Conference at Shanmuganathan Engineering College, Pudukkottai.
- E. Prishiya, P. Sathiyasri, S. Sabha Aysha from IV year CSE participated in Paper presentation in Technical Symposium at Sudharsan Engineering College, Pudukkottai.
- C. Subashini, P. Nandhini from IV year CSE participated in Quiz and paper presentation in Technical Symposium at National Fire and Safety College, Pudukkottai.
- V. Hema, K. Kalpana, M. Meiyammal, P. Prasanna Devi, E. Prishiya, S. Sabha Aysha, D. Sivagami, D. Swetha, T. Vanathi from IV year CSE participated Technical Symposium paper presentation at Mahath Amma Institute of Engineering and Technology, Pudukkottai.
- S. Arundathi, M. Priya, A. Vishnu Priya, A.R. Swathi, P. Harshitha, P. Shamima, A. Saheena Begam, S. Subha Dharshini from III year CSE participated Technical Symposium paper presentation at Mahath Amma Institute of Engineering and Technology, Pudukkottai.
- K. Umamaheshwari from II year CSE department participated in NPTEL course in the topic of Introduction to Internet of Things.
- P. Harshitha, P. Shamima from III year CSE completed IIOT Course at Sastra Deemed University, Thanjavur.
- S. Abirami, K. Jeyasri, S. Sabareeswari and S. Abitha from IV, R. Rajeshwari, M. Subalakshmi from III year ECE attended workshop for Innovative project Development using IoT at Kings College of Engineering, Thanjavur.
- K. Kaviya from III ECE participated a Symposium Paper presentation at Kings College of Engineering, Thanjavur.
- M. Amrin, R. Rajeshwari, M. Subalakshmi, R. Kalaivani, V. Keerthana, K. Kaviya, P. Subbulakshmi from III year ECE participated in Symposium Knowledge Bytes event at Mount Zion College of Engineering and Technology, Pudukkottai.

FDP/WORKSHOP/CONFERENCE ATTENDED BY FACULTY MEMBERS:

- 137 papers were published in the conference proceedings from various departments on various topics.
- 47 faculty members participated in FDP, seminars and workshops organized by reputed institutions from various departments.

FDP/CONFERENCE ORGANISED:

- The National conference on “**Applications of AI and IoT in Engineering and Technology (NCAAIET-2024)**” was organized on 10.02.2024.
- Department of CSE was conducted Five Day FDP on “**Cutting Edge Technologies in Engineering Research**” from 18.01.2024 to 23.01.2024 for faculty members.
- Department of Science and Humanities was conducted One Day PDP on “**Ethics and Integrity in Workplace**” on 08.07.2023.

FACULTY ACHIEVEMENTS:

- Ms. Raci. Mahizhini, Assistant Professor from the Department of Civil Engineering has attended A National Conference on Feasibility Study on the use of Printed Circuit Board in Geopolymer Concrete in National Conference on Applications of AI and IoT in Engineering and Technology at Sri Bharathi Engineering College for Women on 10.02.2024.
- Mr. K. Veeraselvam, Assistant Professor from the Department of Civil Engineering has attended A Five Days Online FDP on Civil Engineering Industry Oriented Innovative Softwares at Velammal College of Engineering and Technology Madurai from 05.02.2024 to 09.02.2024.
