An “Awareness Program for Vehicle Maintenance” was conducted by YRC Volunteers of SBECW on 06th November 2021 in Kaepparai. Our students shared about Vehicle maintenance and when the servicing should be carried out. When the vehicle completes certain kilometers on its normal running or when the vehicle does not give proper performance it should be serviced. Students suggested that the vehicle owners carry out regular and periodical checks on their vehicle, thus we can reduce pollution. Faculty members also participated in the program.
